## AN AUCTION SALE IS NOT AN APPROVAL SALE

### TERMS OF SALE

1. All bids are per lot as numbered in the catalogue and all items are sold as per lot. No lots are sold out of numerical order. The right is reserved to withdraw any lot prior to sale, or to group two or more lots. No lots will be broken up.
2. The highest bidder will prevail. Lots are sold at a slight advance over the next highest bid. The auctioneer will regulate the bidding, and reserves the right to refuse any bid not believed to be in good faith. Should any dispute arise between bidders, the decision of the auctioneer, in the exercise of his judgement as to the successful bidder, will be final, and the auctioneer may re-offer or resell the lot under dispute. Title will be retained by Harmer, Rooke Numismatists, Ltd., until lots are paid for in full.
3. Auction sales are strictly for cash, and must be paid for promptly in U. S. funds.  $1\frac{1}{2}\%$  per month service charge will be added to all bids delinquent after 1 month from date of sale.
4. Floor bidders must identify themselves to the auctioneer immediately following the purchase of each lot. Payment of the whole purchase price, or such part as the auctioneer may require, will be made by the buyer in such manner as the auctioneer may determine. Personal checks may be accepted, subject to collection.
5. Mail bidders unknown to us must furnish satisfactory references, or remit a deposit of 25% of the total of bids. There is no charge for executing mail bids. In the case of equal bids, the earlier bidder will prevail. Successful mail bidders will be notified of the lots allocated to them, and must forward payment before the lots are sent. Those known to us, or who furnish satisfactory references, may, at our option, have their purchases forwarded for immediate payment. Delivery of lots will be to addresses indicated on bid sheets.
6. All lots are guaranteed to be genuine and as described. No lots may be returned by mail bidders without our written permission. All claims must be made in writing within 5 days after receipt of goods. We reserve the right to decide on all claims.
7. Forwarding charges, insurance, &/or registry fees will be borne by the purchaser. The N. Y. State Sales Tax as applicable, is payable by all buyers liable to tax.
8. Unlimited or "buy" bids cannot be accepted.
9. The placing of a bid will constitute acceptance of the foregoing terms of sale.
10. We cannot be responsible for any errors on the part of bidders. Please be careful.
11. No consignors, nor their agents, will be permitted to bid on their own material.

The following coins are all part of the collection of Kip Wagner, the celebrated Treasure Hunter who passed away recently in Florida. Much of this collection was broken up and scattered, but we have obtained a small part which we are most pleased to offer in this sale.

On July 31st, 1715 a Spanish treasure fleet of eleven vessels was caught in a fierce hurricane off the east coast of Florida and sank with over 1000 sailors and over \$14,000,000.00 in gold, silver, jewelry and artifacts. Some \$6,000,000.00 was recovered shortly thereafter by the king's divers, the remaining \$8,000,000.00 being left for Wagner and his crew to uncover some 250 years later. The following lots are all from that treasure hoard. Each is accompanied by a hand-signed authentication certificate from Kip Wagner.
